MAKE YOURSELF AT HOME

1. CONNECT WITH INTENTION

- Introduce yourself, share what you do, and build meaningful relationships with other event professionals.

2. KEEP THE SPACE RESPECTFUL

- Honor different perspectives, protect members' privacy, and keep conversations welcoming and professional.

3. USE RESOURCES WITH CARE

- Follow the license provided with each resource. Keep member access links and restricted materials within your membership.

4. JOIN LIVE EXPERIENCES PREPARED

- Check the event details for the time, access instructions, and anything you'll need. Keep your microphone muted when you're not speaking.
